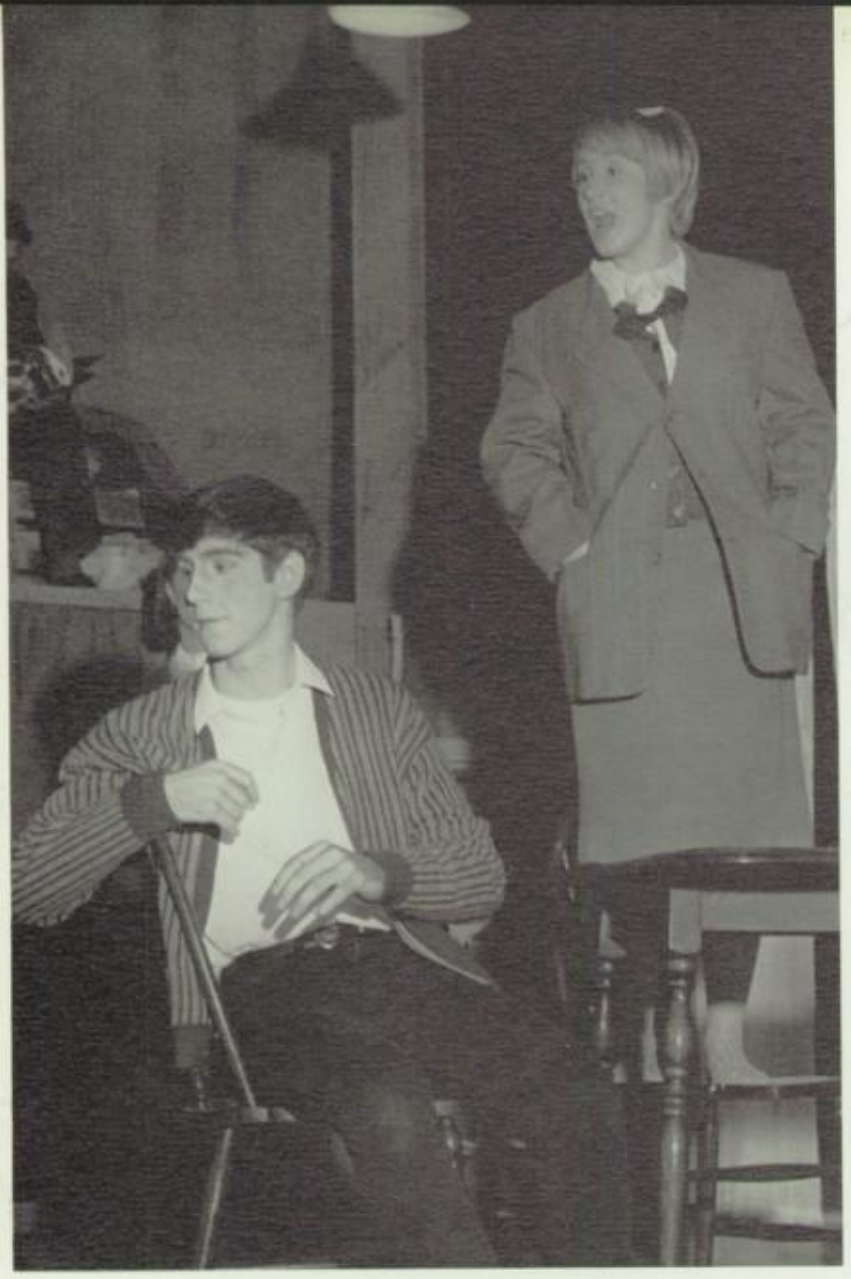
Realistic scenery set the mood for *The Diary of Anne Frank.*

Anne's diary, "July 18, 1942, Dear Diary".

An attic . . . escape,

A toast, "Welcome Mr. Dussel".



"But I have a friend in there waiting for me, my friend Tom, Tom cat."

"That's what they do to young Dutchmen now, they ship them off to a concentration camp".

hope, death . . . "The Diary of Anne Frank".

The audience that viewed The Diary of Anne Frank was well-pleased by the excellent interpretation of the famous drama. The play was the story of a Jewish family and the problems imposed on their race during World War II. Sue Apple portrayed Anne Frank, a young Jewish girl. While her family was hiding from the Nazis, Anne kept a diary of her observations and experiences.

Mr. Thomas Jennings, faculty adviser, and Bob Amsden, student director, combined efforts to produce the show. Mr. William Burns deserved much commendation for the sets. Sue Apple and Dave Johnson had lead roles in the play. Supporting characters were Sue Gallagher, Jerry Bolduan, Barb Kerwin, Vicky Dunbar, and Matt Smith. Others were Joe Sayed, Bekky Enis, and Roger Southward.

Homecoming Queen Candidates: Front Row: Shelley Harrison, Nancy Stoner, Sue Warrick, Marybeth DeLamater, Linda Larsen, Sue Apple, Sheri Sevrence, Becky Oldham, Judy Beening, Kandi Cosgrove. *Row Tow:* Anne Ericson, Shari Dukes, Carol Garner, JoAnn Hering, Kristen Rupp, Joan Treter, Sue Purcell, Marlene Petersen, Joan Swarthout, Sue Boerst.

Accompanied by Pete James, Shari reigns at "Royal Harvest."

Amidst cold wind and snow, Bowsher's annual Homecoming was held Saturday, November 5. A spirited football team, a beautiful queen, and colorful floats provided excitement for students and fans. The gridders exhibited skill as they fought to a 6—6 tie with Woodward. The game was highlighted by the halftime crowning of Shari Dukes as 1966 Homecoming Queen. Her attendants were Judy Beening, Linda Larsen, Marlene Petersen, and Sheri Sevrence. Queen Shari was sponsored by the Forum, who also held the Homecoming dance, "Royal Harvest".

A proud moment for Shari Dukes, 1966 Homecoming Queen.

Spirit, Color, Excitement . . . Homecoming 1966

Me?

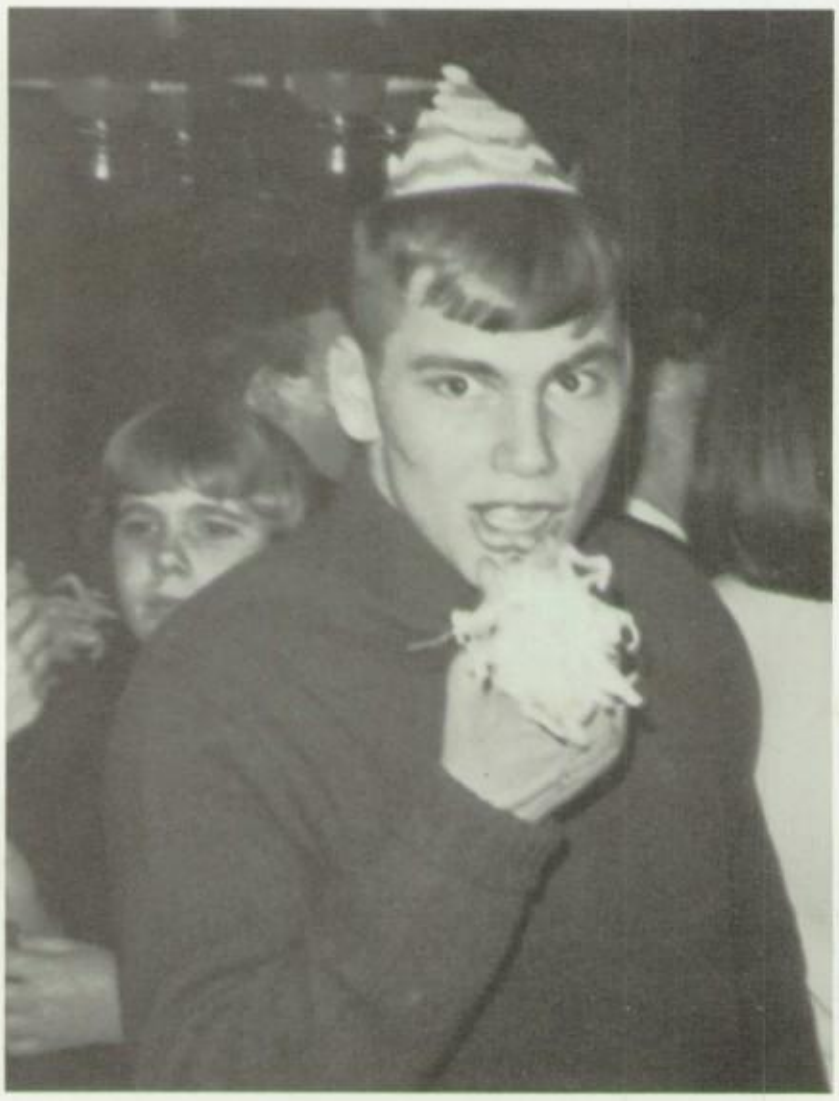
Warm congratulations to a new queen from her court.

Queen and court, ready and waiting.

A radiant smile.

Class of '70

Dating, Partying, Dancing . . . Saturday Night



Captured Moments of "Rebelees" 1966

Singing, dancing, and performing highlighted *Rebelees '66*, "Pipe Dreams", the story of a shy boy and his visions of gallantry and heroism. Henry Pipe dreamed of escaping from his ordinary life by visiting the local artists as Washington Square. Next, Henry's dreams took him to Sarah Avocoti's school for Young Women. There he became a hero by capturing the villain who had been stealing valuable paintings from the school. Henry's visions were short-lived, however. When he awoke, our hero realized that he could not escape his dull life.

Many talented Rebels including the dancing Rebelettes combined efforts to make a successful production. Miss Elizabeth Papps, faculty adviser; Steve Klein, student director; Nancy Bender, general 'chairman, and a capable steering committee added another superior production to the tradition of student produced shows.

"I'll take care of you," pleads Mary Beth DeLameter.

Climaxing a successful show, *Rebelees'* cast applauds comedian Mike Heaton as he is led on stage by the "old lamplighter"

High-stepping Rebelettes show skill, precision, and agility as they open the 1966 *Rebelees*, "Pipe Dreams".

"Now wait just a minute Miss Osgood!" scolds Mike Heaton.

"Am I imagining things, or did that lamp actually talk?"

Clever footwork by dancers, Gary Benedict and Mary Sandys.

'67 Steering Committee Co-ordinates Tryouts

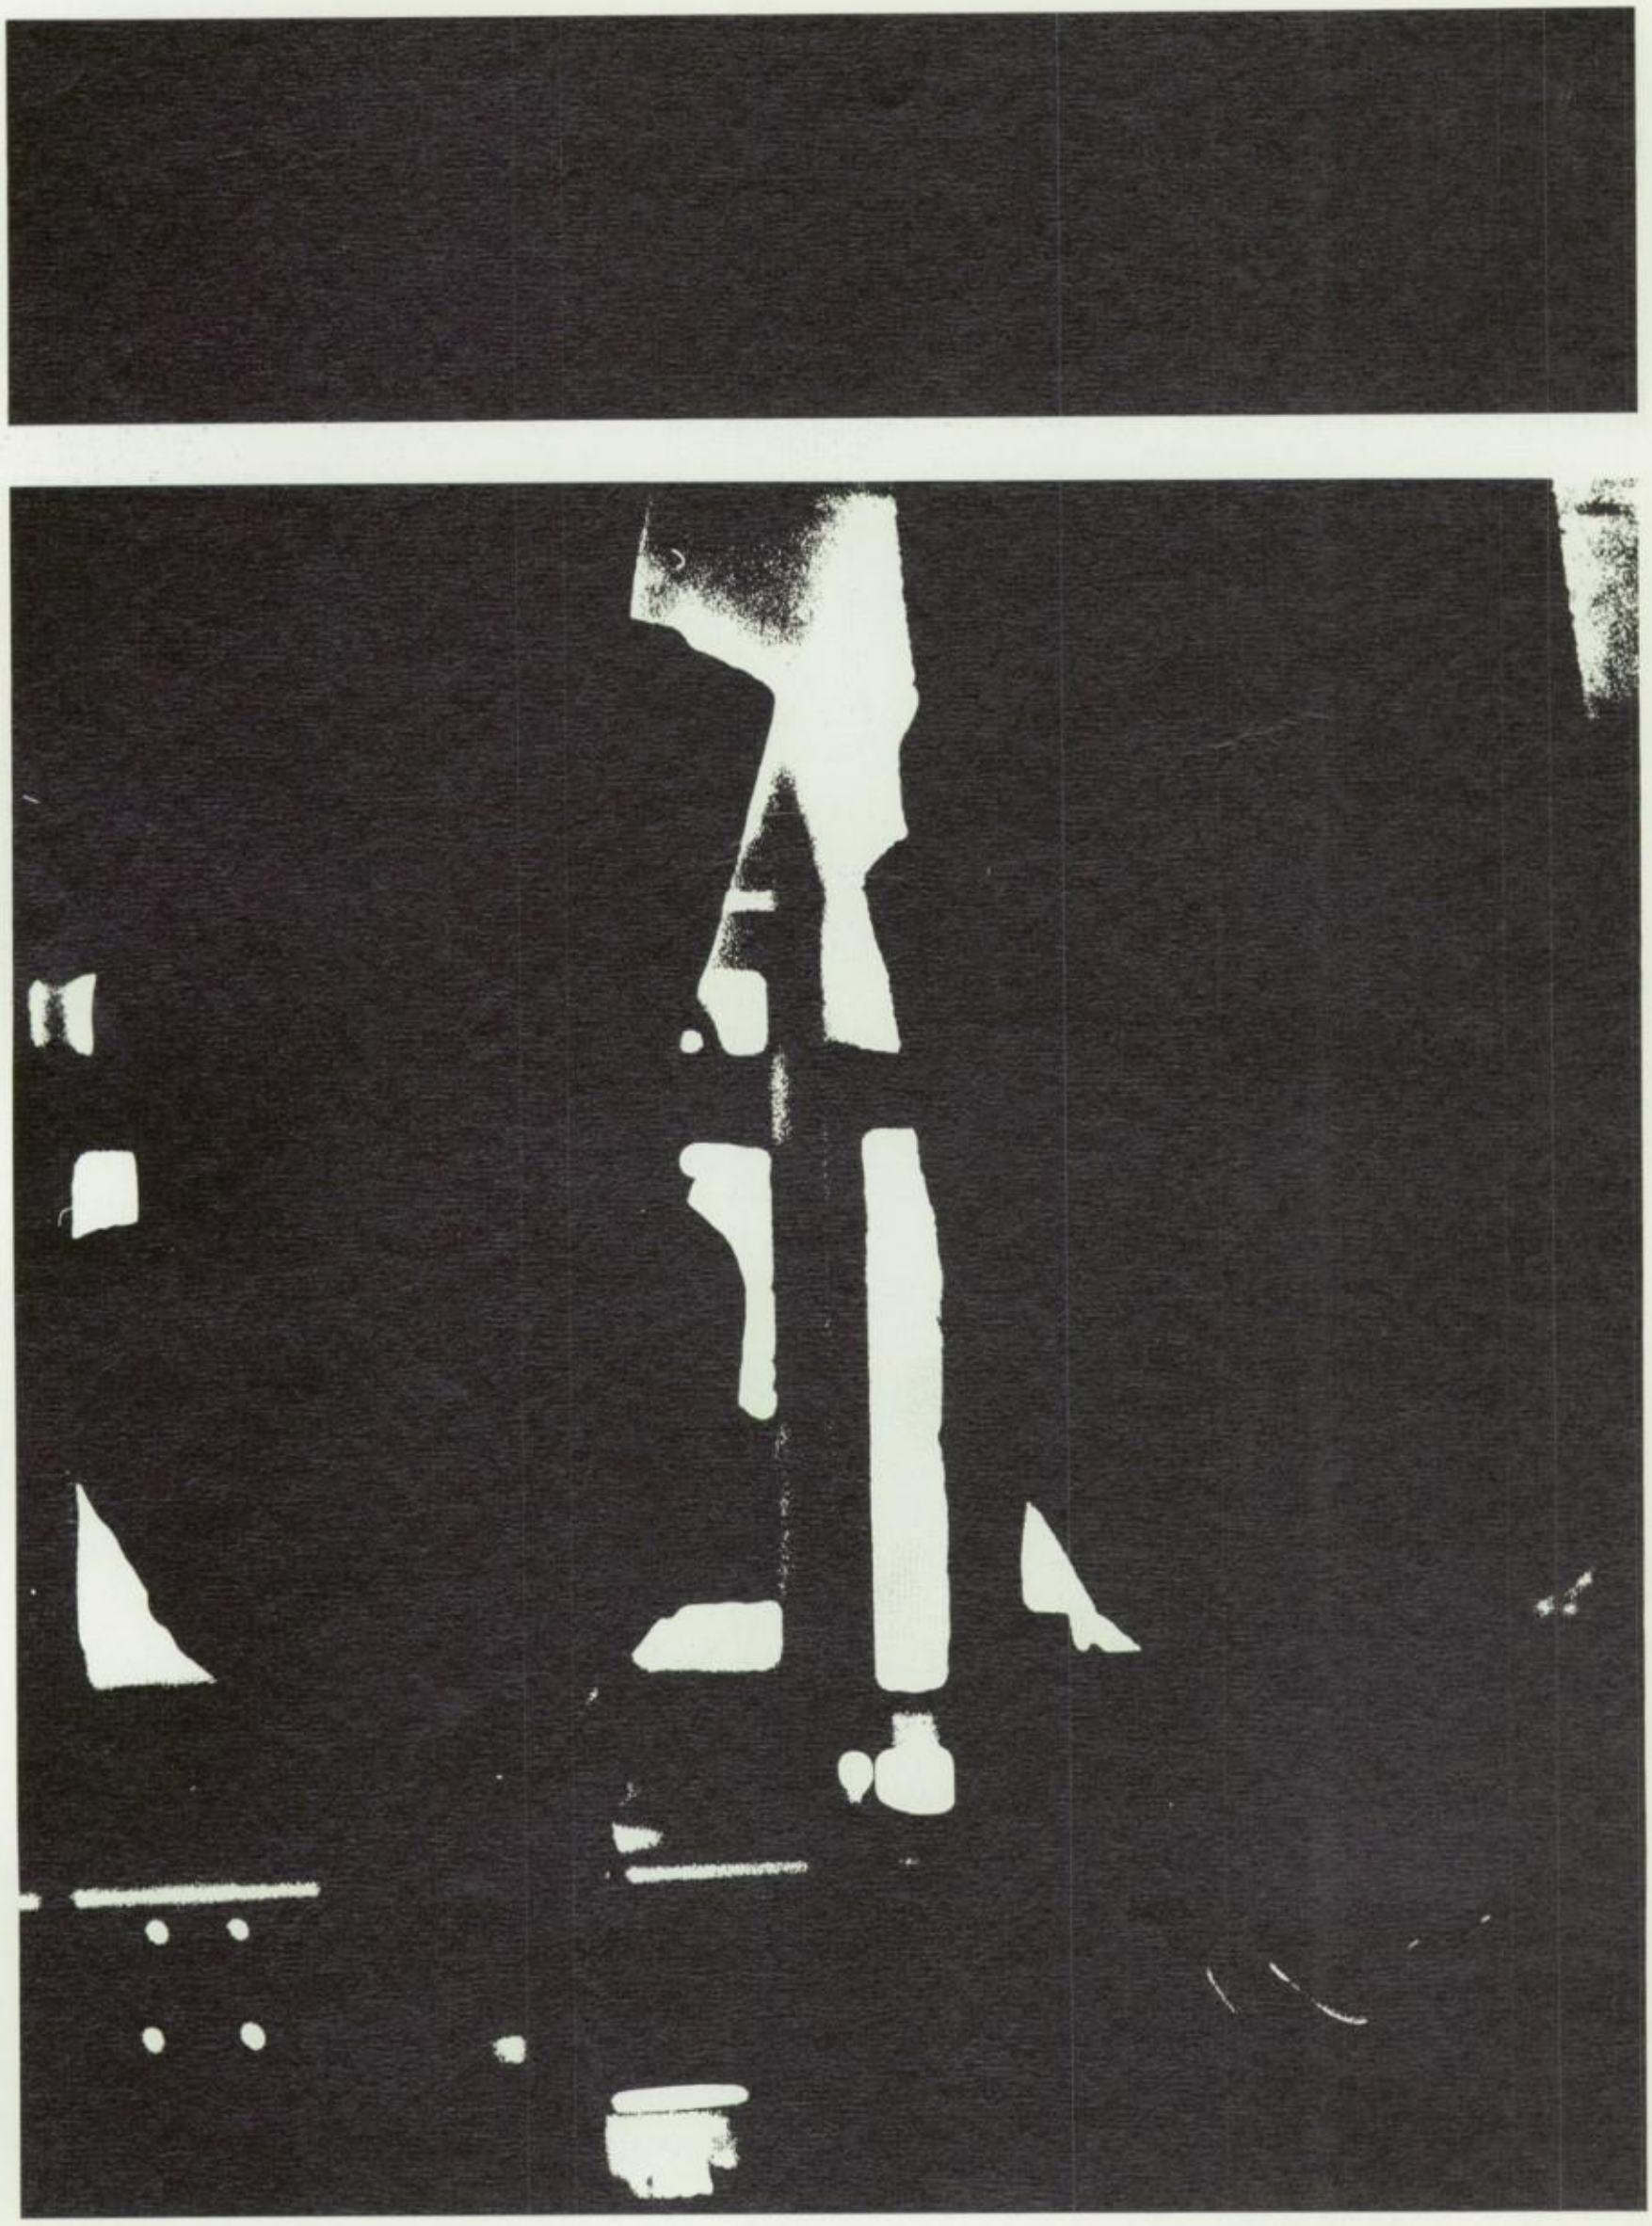
INSTRUCTORS



Mr. Frank Dick, Superintendent of Schools

Mr. E. L. Bowsher

Decisions are made under the leadership of

Board of Education: Mr. Art L. Zepf, Mrs Maude Shapiro, Mr. William N. Thomas, Mr. J. Arch Anderson, Mr. Edward Foster.

Raymond McNeill, Principal

A familiar face, Mr. McNeill, at a class meeting.

competent administrators

Representing the faculty and the administrative staff I would like to congratulate the *APOGEE* staff for another outstanding yearbook. Once again the leadership given by our seniors has been invaluable.

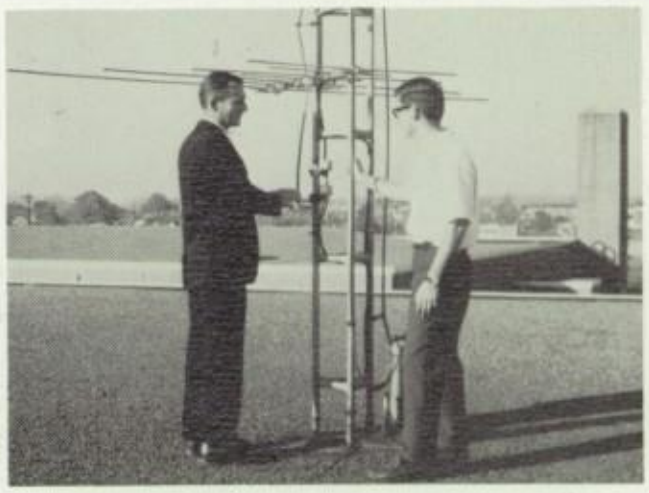
Whether you are a graduate or a returning student, remember that your school is ready to help you in a variety of ways. Our curriculum is constantly changing to keep pace with our society.

Ray Mc Neill

A sure spectator at Bowsher's athletic events is Mr. McNeill.

To Mr. McNeill, the word *love* has more than one meaning. While not attending to his duties as principal, he can be found playing tennis at nearby courts. Swimming, water-skiing, and snow-skiing are among his other athletic interests.

Mr. McNeill gained his B.A. and M.A. degrees from the University of Toledo. During the summer, he occupies his mornings serving as principal of Libbey summer school.



. . . an *aerial* view

Assistant Principals and Counselors . . .

Sporting a whistle and a friendly smile, *Mr. Joseph Christen* acts as Assistant Principal in charge of the Junior High School. At Michigan State University he received a Bachelor of Science in Biology; at the University of Toledo he obtained his Master of Arts degree.

A very busy person, *Mr. Darrell Clay* holds the title of Assistant Principal in charge of Administration and Counseling. Two nights a week he teaches at Toledo University. He received his Bachelor's degree of Education at Bowling Green State University and his Master's of Education at the University of Toledo.

"I need my posters stamped" is a familiar cry heard by *Mr. George Miley,* Assistant Principal in charge of activities. His main duties include coordinating school functions and overseeing extracurricular events. He attended Toledo University where he received his Bachelor of Education and Master of Arts degrees.

Serving as Assistant Principal in charge of Instruction and curriculum development, *Mrs. Eula Upp* shows total dedication to her work. She attended O.S.U. and the U. of M., earning her B.A. and M.A. degrees respectively. As of February of this year, Mrs. Upp retired. Her services will be greatly missed.

Each new day has an early start for the clerical staff.

Explaining Bowsher's curriculum, Mr. Clay advises a freshman boy.

A new face . . . Administrative intern, Mr. Klimko.

. . . *Working together for educational progress*

Counselor *Mr. James Ray* is a familiar sight to sophomore boys and girls. He obtained his Bachelor of Education and Master of Education degrees at the University of Toledo. Aside from his duties at Bowsher, Mr. Ray finds time to participate in various sports, such as basketball, softball, and handball.

Who's counseling who?

A girl's best friend is her counselor. At least that is the case if you are a freshman, junior, or senior girl and have met *Miss Harriot Schell,* Guidance and College Counselor. She obtained her Bachelor's and Master's degrees of Education at Northwestern University and the University of Toledo respectively.

Miss Schell and Anita Boardman discuss future plans with Mrs Sheline.

Clerical Aids . . . Efficiency and Service

Mrs. Helen Fischer
Mrs. Gladys Just
Mrs. Edna Keim
Mrs. Miriam Kerl

Mrs. Rita Krieger
Miss Connie Mercer
Mrs. Joanne Mourlam

While enjoying California's sun, *Miss Carol Albrecht* attended Long Beach State and Los Angeles State Colleges after graduating from Miami University with a Bachelor of Arts degree. Teaching sophomore English and speech, she also finds time to advise the debate team.

While some people collect stamps and coins, *Miss Ruth Allen* collects hats of all shapes, sizes, and varieties. Having taught many different subjects, she now concentrates on business English and sociology. She graduated from Toledo University with a Bachelor of Science and Master of Arts degree.

After attending Case Institute of Technology and the University of Wisconsin, *Mr. Glenn Blinn* graduated from Bowling Green State University with a Bachelor of Science degree and a Master of Arts degree. He teaches algebra and physics and finds time to advise the National Honor Society.

Advising the *Apogee* staff takes up a large portion of *Mrs. Carol Brown's* spare time, yet she still manages to have some left to antique furniture. The school that takes credit for her education is Miami University. Here she obtained her BS Degree in Education. She now teaches sophomore English.

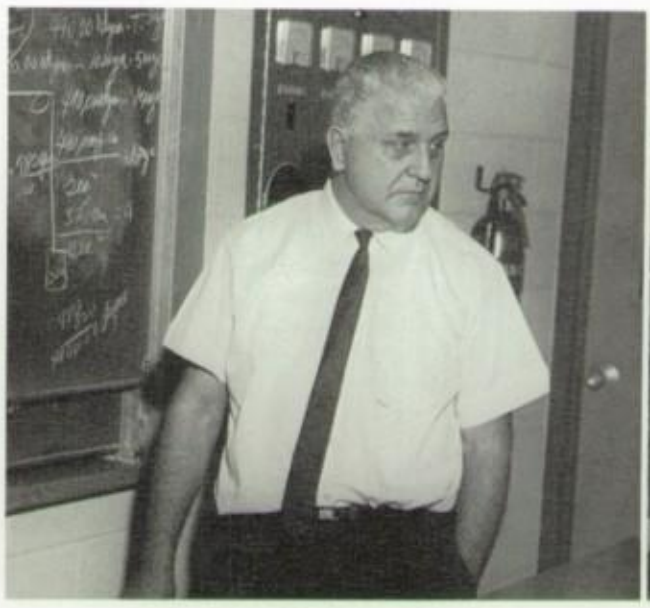
Aside from instructing sophomore through senior students in geometry, *Mr. Henry Bruns* teaches Algebra. He attended Michigan State University, but earned a Bachelor of Arts degree from Defiance College and a Master of Arts degree from Bowling Green State University.

A real "handy man" *Mr. William Burns* teaches industrial arts and advises the Kingsmen. He received his Bachelor of Science degree at the State University of New York and his Master of Education degree at Bowling Green State University.

A familiar face to the freshmen girls is *Mrs. Jean Chamberlain,* health instructor. She attended Ashland College and Bowling Green State University receiving a Bachelor of Science degree in Education at the latter. She also advises the Philalethean Service Society.

Both new and familiar

Intricate details of electronics are pointed out by Mr. Burns.



When Bowsher played Libbey, *Mr. William Dross* had a difficult time deciding which team to cheer for. Mr. Dross teaches clerical office practice here and travels to Libbey to teach distributive education. He graduated from Bowling Green State University where he obtained his Bachelor or Science degree.

If you have an interest in collecting books or in practicing Judo, *Mr. John Erkert,* a chemistry teacher, would be more than happy to share his knowledge with you. He went to Ohio State University where he earned his Bachelor of Science degree. Mr. Erkert co-advises the Alchemist Club.

Because of his interest in amateur radio, *Mr. Harry Ewell* became a member of the Toledo Board of Trustees of Toledo Emergency Amateur Radio, Inc. He attended Toledo University and secured his Bachelor and Master of Education degrees. At the present, he teaches distributive education and advises D.E.C.A.

Being interested in athletics, *Mr. Henry Fearnside* has coached freshman football in past years. Presently he is an industrial arts instructor. He earned his Bachelor of Science degree in Education at Bowling Green State University and his Master's degree in Administration at Toledo University.

Happiness, as described by *Mr. Donald Fisher*, is working around his house and its surroundings. Because he teaches physical education it is easy to understand why he enjoys snow skiing and golf. He attended Ohio Wesleyan University where he secured his Bachelor of Arts degree.

A well-suited partner for Mr. Fisher, *Mrs. Jane Fisher* also teaches physical education and enjoys skiing and golf. She studied at the University of Toledo and the University of Michigan, receiving her Bachelor of Education and Master of Arts degrees respectively. Mrs. Fisher co-advises the Girls Athletic Association.

During the summer months *Mrs. Bernice Gaiser* may be found camping and traveling. She graduated from Bowling Green State University with a Bachelor of Science degree and from Toledo University with a Master of Arts degree. Teaching in the business department, Mrs. Gaiser is the instructor for the first year of a new three-hour course.

faces greeted us

Listening, learning . . . whether it be physics from Mr. Blinn or health from Mrs. Chamberlain.

Atomic structure is explained during chemistry by Miss Garrett.

Advising, clowning,

Do you need your poodle trimmed? If so, contact *Miss Karen Garrett,* a general science and chemistry teacher here at Bowsher. She obtained a Bachelor of Science degree from Bowling Green State University and is co-adviser of the Alchemist Club.

Traveling to various states to attend United States' art shows is the main interest of *Mrs. Carolyn Goforth,* instructor of art. She graduated with a Bachelor of Arts degree from Bowling Green State University. Mrs. Goforth is the adviser of Notia Thalia Service Society.

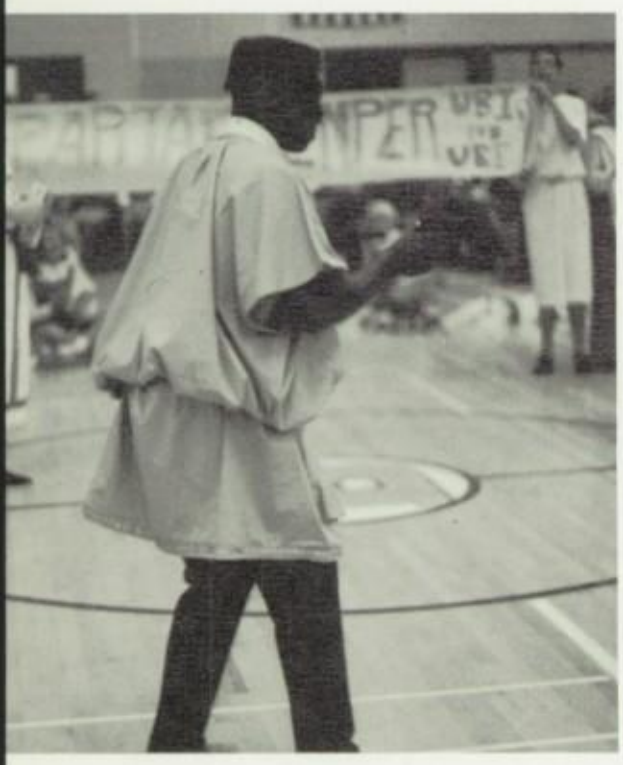
An asset to our music department, *Mr. James Grabill* conducts both the band and the orchestra. He received his Bachelor of Arts degree in Music Education at Otterbein College and his Master of Arts in Music Education at Ohio State University.

Collecting fish is one of *Mr. Douglas Johnson's* unusual hobbies. Mr. Johnson attended the University of Toledo and Bowling Green State University, graduating with a B.S. in Education. He teaches B.S.C.S. biology and physiology, and also serves as Forum co-adviser.

The Crusades or inherited characteristics become familiar to you after being in *Mr. Thomas Jenning's* world history or sociology class. He also advises the senior class, its play, and coaches the bowling team. He graduated from Toledo University and received his Bachelor of Arts degree.

Did you ever wonder how *Mrs. Jane Johnson* gets her pre-season sunburn? Perhaps her physical education classes could tell you. She graduated from Bowling Green State University with a Bachelor of Science degree in Education and co-advises the Girls Athletic Association.

Mr. Jones' antics enliven a pep rally.



instructing . . . faculty

A comfortable chair and a bright light is a must for *Mrs. Leona Jones* to enjoy her favorite pastimes: sewing, knitting, and reading. Mrs. Jones is a graduate of Toledo University where she attained her Bachelor's degree in Education. Presently she teaches typing and shorthand.

"Rebels want a victory" is the familiar cry exercised by *Mr. Wesley Jones,* adviser of the cheerleaders. Mr. Jones also advises the Latin Club and the Quiz Bowl Team. He attended Bowling Green State University and graduated with an A.B. degree and B.S. degree in Education.

An avid sport spectator *Mr. Andrew Kandik* enjoys traveling from border to border to places with historical background. Perhaps this is a result of his advocation of teaching American history. He graduated from Toledo University where he received a Bachelor of Education and a Master of Arts degree.

Besides teaching both world history and American history, *Mr. Richard Knisely* finds time to coach the varsity basketball team and co-advise the Varsity "B" Club. He received his Bachelor's and Master's degrees in Education from the University of Toledo.

Advising the Future Business Leaders of America occupies much of *Miss Carol Knopp's* spare time. She also enjoys sewing and bowling. Miss Knopp graduated from Bowling Green State University with a Bachelor of Science degree in Education. She teaches typing and junior steno.

Among their service projects were food baskets for poor families, a party for orphan children and setting aside money each year for the purchase of a mimeograph machine. This year the Future Business Leaders entertained themselves with parties, sponsoring a tag day, and co-sponsoring a sock hop.

School Service

School Service workers perform various tasks essential to the successful operation of Bowsher. They serve in the attendance, athletics, activities, and nurse's offices. They also assist in the library and at the stationer's desk. Each of them donate their study halls so that these essential services may be carried out.

O.W.E.

Among the newer clubs at Bowsher this year was Occupational Work Experience, or O.W.E. Encouraging students to complete their education and to develop good work habits are important ideals of O.W.E. This new organization drew up it's first constitution this year. They displayed their artistic ability in sponsoring a booth for our annual carnival. The club expects to expand greatly in the coming years.

D.E.C.A.

A new and different program has been introduced to Bowsher this year. The program is Distributive Education or D.E.C.A. and its purpose is to provide cooperative distributive education students with the opportunity for leadership and growth. The students and members attend school in the morning and then hold jobs in the afternoon. During the holidays D.E.C.A. members supplied their community with a Christmas shopping guide.

Fine spirit, loyal fans, and a unified team

The 1966 Bowsher football team recorded its best season ever with 3—5—1 record. The season was highlighted by a victory over undefeated Fremont Ross, in which the real skill of the team was exhibited. The fans witnessed a stunning performance at the Waite game in which the defense allowed only four yards rushing and fifteen yards passing. After having the second victory under its belt, the gridders met St. Francis and gave the Knights the best battle of their season. The following week the team picked up its third victory over Central. The 1966 team as a whole showed more hustle and drive than any other football team in Bowsher's history. Individually, senior quarterback Tom Duncan, linebacker Ron Schneider, and senior end Chris Baymiller, placed on the All-City team. Scholastic honors were awarded to Keith Bersticker and Gary Forquer at halftime of the Thanksgiving Day game between St. Francis and DeVilbiss.

John Morris sweeps around left end against Central.

The junior varsity has made big improvements this year. With the help of its new coach, Bill Knopper, who is a traveling physical education instructor, the team closed the 1966 season with a record of three wins and four losses. For the first time in Bowsher's history the J.V. team was composed solely of sophomores. Spirit and attitude were two important assets that unified the team. The experience the junior varsity gained will be invaluable when assuming varsity leadership.

The Bowsher Freshman had a fine record of five wins and two losses, placing second in the City League. The two victors over Bowsher were Waite and DeVilbiss, who both defeated the Frosh by only one touchdown. Much hustle and drive put the boys on top, though the team lacked size and number this year. An 8—2 victory over St. Francis proved to be the outstanding game of the season. All players were honored at the annual Football Banquet, and later received Freshmen letters.

Strength and confidence build as season progresses

Coach Knisely ably guided his varsity cagers through a difficult schedule, battling some of the highest ranked schools in Ohio. Gaining strength and experience with each game, Bowsher closed the season with a record of five wins and thirteen losses. Most of the victories for the round ballers came from outside of the city. Two of the most impressive games for the team were the near upset of Libbey, where Bowsher led until the fourth quarter and the strong defeat of Rogers, the G.L.L. champs. Although the team will feel the loss of its seniors, the experience and confidence gained this year will be valuable to the returning players.

hold prospects for the future

This year's Freshman team, under the new direction of Coach Charles Darnell, showed improvement as the year progressed. With team work and individual effort on the part of the players, the cagers gained respect from the loyal Rebel fans. Although the record was four and fourteen, the team as a whole gained the needed experience which will be useful for Junior Varsity next year.

Individual efforts reap rewards for Matmen

Enthusiasm, desire, and many hours of hard practice sparked the 1967 wrestling team to a six and three record. One of the highlights of the season was the match with Libbey. Bowsher handed the Cowboys a forty-three to nothing shutout which was the first shutout in wrestling at Bowsher. The team closed its season by whipping the arch rivals, Start, thirty-seven to five.

Last year Bowsher's *track* team had an admirable season. Guided by Coach Ron Schlievert the team made an impressive record of six wins and four losses. In the DeVilbiss Night Relays, Bowsher placed sixth; the cindermen placed fifth in the City Championship Meet. Pole vaulter Bill Wittich received first team All-City honors.

With the expert coaching of Mr. Walter Lange, the varsity *golf* team finished the season with a six and three record. Since the majority of the team was composed of seniors, this year's golfers will have to work hard to maintain their winning record. The lone returning letterman will be Mike Kennedy.

Determination, spirit, and drive sparked the 1965 *baseball* season. Fighting a long rainy season, the team faired well with an eight and six record. They placed fourth in the City League. Tom Crothers and Chuck Kasten were unanimous choices for first team All-City, while Chuck Wagner was voted to third team. Several lettermen will be returning for another season under the direction of Coach Nissen.

The 1965 *tennis* team maintained the fine traditions established by past Rebel Squads. Last year, the netters closed the season with six wins and six losses. The team brought honors to Bowsher by placing high in the City League standings. Awards were presented to Jim Kachemeister and John Eisenman for their outstanding contribution to the team. Phil Wisely earned a letter as a senior, while Doug Williams lettered as a junior. Monograms were won by Lee Patton, Gary Lea, and Ed Yosses.

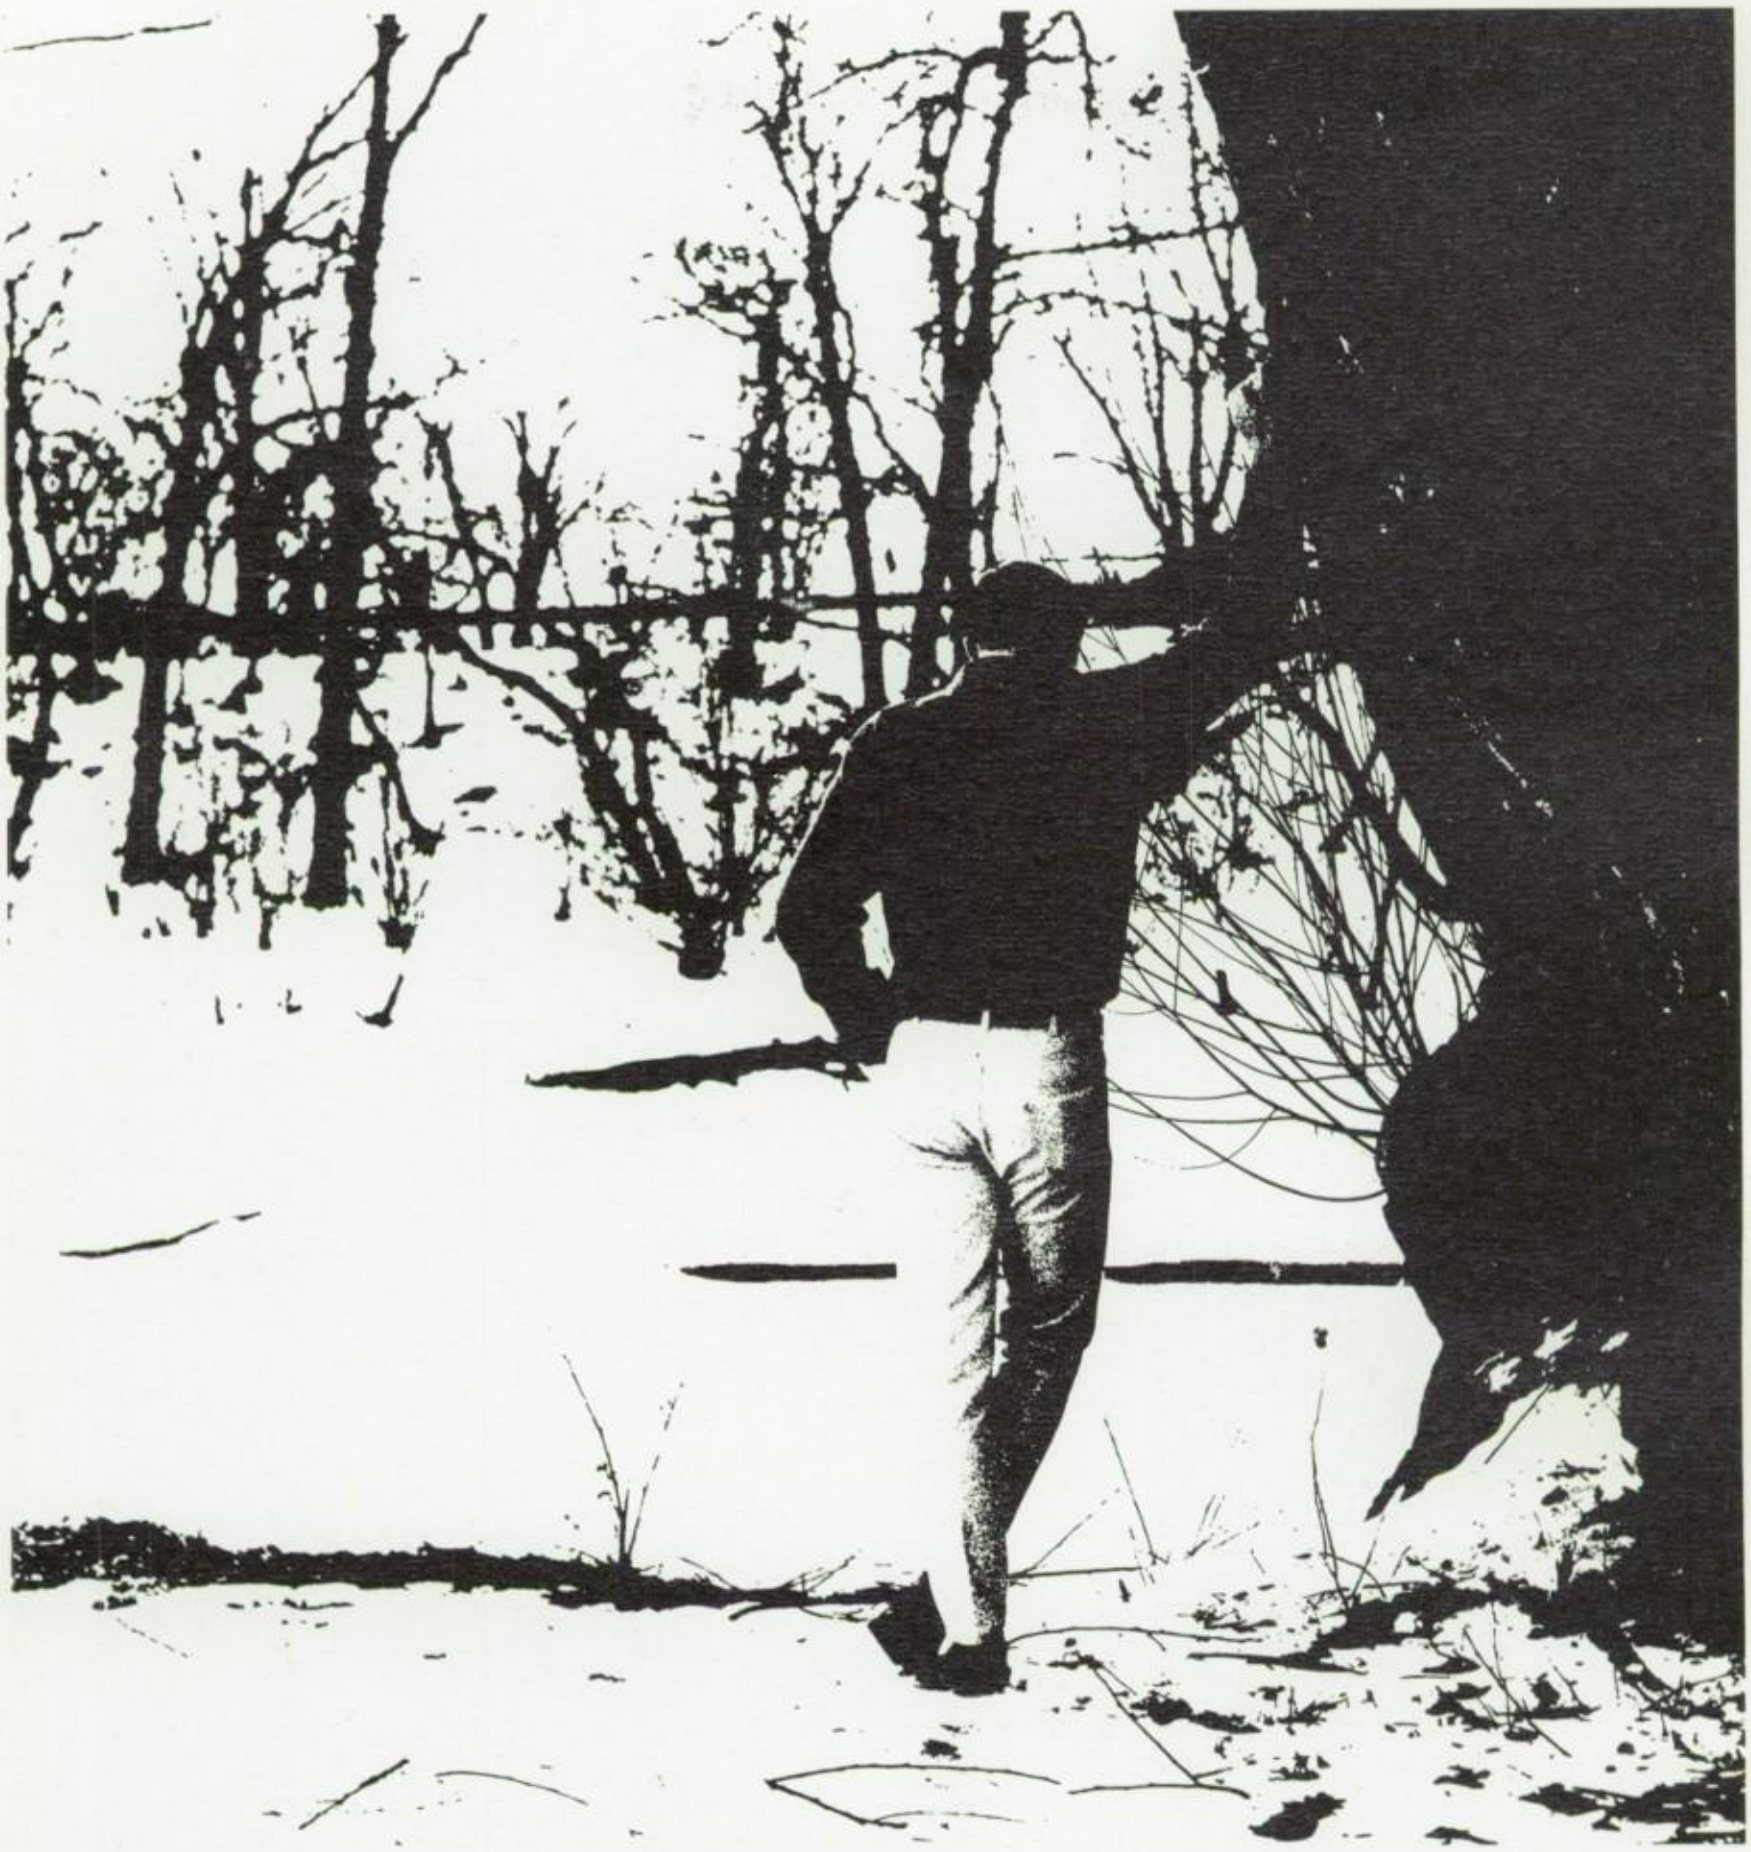
CONCLUSION



. . . And as I stood there my image faded.
It became something deeper, darker . . .

Progress
a growing metropolis
a busy manufacturing town
a pond,
once lively . . . now desolate
Why?
plywood signs shout the reason
no swimming or bathing—
water contaminated
a growing metropolis
a busy manufacturing town

Myriads of stacks point skyward
morning . . . evening
smoke pours from their mouths
a dark cloud surrounds the city
evening . . . morning
a growing metropolis
a busy manufacturing town
Progress.

Stop . . . tonight—any night
look up . . . beyond—into
the void
and the
blackness.

Stop . . . on the edge
of a new frontier . . .
of destruction
or liberation?

There is a bleak nation
beyond the highway,
beyond . . .

There are people
tired of living,
beyond . . .

They are the
invisible ones,
but they are
Here

A battle is raging
its hatred shakes the earth
A nation is dying
A war-blackened land where
dreams are not written with
sunlight on water . . .
but scrawled with blood on
a jungle path
They tell us that the rain
will wash away the blood
that the sun will penetrate the night
Talks . . . more talks . . .
Cannot words ever pierce the darkness?

FRISCHES RAID

Restless midnight . . .
over the city
Restless midnight . . .
shadows darting through the streets
Restless midnight . . .
one . . . then a few . . .
a leader . . .
A scream, the midnight scream
of the mob, an
animal in the night . . .
hunting . . . a victim . . .
Hunting anything
to beat, strangle
crush, destroy . . .
and then leave . . .
Why . . .
to speak out or to follow?

The image returns . . .
I venture forth
The world will be mine shortly . . .

I must know . . .
I must find the answers . . .
Perhaps the answers lie in
myself

MARVIN

RESERVED (for FAWN)

To Brenda,
A real cool kid (not really cause she knows it. (HA HA)
you had better be real nice to me cause I may be your sister
some day (I hope). Remember S.C. & D.D. and all the trouble
they almost got me into with you know who. Always
look out the window when you hear a cycle go by and
don't get to sex-cited if it's "THE MAN": always respect your
elders (including me) and do whatever Billie tells you
and stay away from those "Hoods."

Love ya always

Fawn

P.S. Be careful of the sex maniac → with the coal
mine he may "get you."

The 1967 *Apogee* would not have been possible without the friendly supervision of *Mrs. Carol Brown*, the constant co-operation of *Mr. Raymond McNeill*, the guidance of *"Gus" Hoverson*, the photographic assistance of *Mr. Dan Duvendack* and *Mr. William Gross*, the financial efficiency of *Mrs. Gladys Just*, the helpfulness of *Mr. George Miley*, the creativity of *Kathy Bracken*, the aid of photographer *Ed O'Reilly*, and the portraits of teachers and seniors from *Lamson's studio*. A special thanks to all these people and all who contributed time and ideas to make the 1967 *Apogee* the *best!*
